## DATA PROTECTION

The Boys' Brigade requires personal information to ensure that we look after the well-being of all children & young people participating in activities as part of their membership. All personal information (including sensitive data) is held in accordance with the General Data Protection Regulations (GDPR). Personal data is held securely within Online Brigade Manager (our database system) while your child is an active member of the organisation. If their membership becomes inactive, we'll archive this information in line with our retention policy detailed within our Privacy (Fair Processing) Notice. You have the right to ask for a copy of all data we hold about your child, this is known as a subject access request (SAR). We take data protection very seriously and further information about how we collect, process & retain personal data is provided in our Data Protection Policy and Privacy (Fair Processing) Notice.
